## **DESIGN**CONSIDERATIONS

**Clear Firmwide Principles** – All members know and work to live the principles.

**Hiring** – Select individuals whose values and competencies align with the principles.

**Onboarding** – Introduce new employees to the firm's culture and principles from day one.

**Individual Level Assessment** – Assessment of individual growth areas on principles.

**Personal Development Plans** – Growth strategies that align individual goals with principles.

**Stretch Assignments** – Challenging tasks to grow skills and apply the firm's principles.

**Performance Reviews** – Evaluate employees (in part) based on their reflection of principles.

**Performance Improvement Plans** – Formal plans addressing performance/behavior gaps.

**Learning (External)** – External educational opportunities that strategically reinforce the principles.

**Learning (Internal)** – Internal educational opportunities that strategically reinforce the principles.

**Succession Planning** – Identifies future leaders who exhibit the firm's leadership principles.

**Promotion Decisions** – Advancement is based on performance outcomes and alignment.

**Clear Leadership Principles** – All positional leaders know and work to model the principles.

**Leader 360 Feedback** – Leader feedback aligns with the principles.

**Compensation** – Rewards and incentives tied to achieving goals and modeling principles.

**Internal Recognition** – Acknowledges employees who exemplify firm principles.

**External (Client) Recognition** – Celebrates clients whose work aligns with firm principles.

**Service Opportunities** – Employees live firm principles through community involvement.

**Organizational Level Assessment** – Assessment of organizational growth opportunities.

**Anchored in Strategic Plan** – The firm's strategic direction prioritizes the principles.

**Mentoring and Modeling** – Senior leaders actively mentor and model the principles.

**The Physical Environment** – Visual and environmental cues reinforce the principles.

**Promotional Materials** – Internal and external collateral communicate the principles.

**Learning Management System** – Learning technology provides a platform/home for resources.

**Behavior Design Technology** – Innovative technology helps members live the principles (e.g., www.arist.co).

"Organizational systems must support the leadership development process. To be fully effective, a development system must be integrated with the organization's other processes."

- McCauley, Moxley, & Van Velsor
